THE SOUTH LYON HOTEL, HOME OF THE ALL-DAY HAPPY HOUR...

THE SOUTH LYON HOTEL, as it has been known for decades, was built in the village in 1867. The property was formerly a cemetery and after the city council approved the removal of the remains, at a cost of \$2.50 each, construction began and the building was completed in late August. To this day, people still question whether "spirits" from that time lurk around this building...

🍔 ABOUT OUR BUFFALO BURGERS...

Our Bison comes from New Beginnings Ranch, headquartered in Holly, Michigan, with ranches in Holly & Cheboygan, MI. They use no hormones, antibiotics, or feed additives. Bison is high in protein and iron, and even lower than fish in fat and cholesterol. It's not only healthy (99% lean!), but the taste is fantastic. Buy local, live well...

THE ORIGINAL NAME

of the Hotel was the Commercial House, owned and operated by Baker Hopkins. Four large fireplaces and gas lights heated and lit the inside (the first electric light did not reach South Lyon until 1923). When the train whistle blew, the town would watch as the Commercial House's buckboard and team would race down the street against their respective hotels. The Whipple House and the Harris House were also names which the building has been known as in it's 146 years.
